Cornel West
Class of 1943, University Professor

April 14, 2010

To Whom It May Concern:

I am writing this strong statement in support of Shane, Josh and Sarah. I plead to the Iranian government to release my innocent Sister and Brothers who only meant to do good. Let us not make them political pawns in an international conflict. Please, please – let them go and come home to their love ones!

Sincerely,

A handwritten signature in black ink, appearing to read 'C West', written in a cursive style.
